

SUSTAINABILITY REPORT

2023-2024

Our History

In the early 1971s, we started to serve with a 36-room hotel in the place where the Acanthus Cennet Barut Collection Hotel is located today, and today we are a big family with 3500 rooms, over 10000 beds and more than 3000 colleagues.

Barut Hotels Policy

Together with all our employees, it is the main goal of our hotels to provide the best quality service by keeping guest satisfaction above all else. In line with this goal;

Legal Requirements

Barut Hotels has adopted the principle of complying with legal requirements in all product and service processes.

Employee Safety and Investing in People

Our personnel are our most valuable asset. In order to minimize the risks that may jeopardize the health and safety of our employees and business partners and to prevent occupational accidents, continuous improvements are made in all our processes and the latest technologies are followed. It is our indispensable rule that our employees are trained, their human rights are protected and they benefit from equal rights regardless of religion, language and race.

Guest Satisfaction - Guest Safety - Guest Orientation

Our guests are the reason for our existence. Our primary values are to follow all guest complaints from all sources, to resolve complaints and to turn complaints into opportunities for ourselves by informing our guests about this issue.

Respect for the Environment

Preventing environmental pollution and protecting nature by using our natural resources in the most efficient way, reducing the amount of our wastes, recycling or recycling them in harmless ways.

Energy Saving

Barut Hotels has adopted the principle of using our energy resources in the most efficient way and continuous improvement in energy efficiency.

Food Safety - Hygiene

Our common principle is to implement and continuously improve the food safety system throughout the food chain and to prioritize hygiene conditions throughout all hotels in order to provide quality products that comply with food safety principles.

Our Investors and Business Partners

We strive to provide better service than our competitors at the most affordable cost by identifying the expectations and requirements of our investors, who provide a peaceful and safe working environment for their employees, and our business partners, with whom we share the same goal.

Support for Local Economy and Sustainable Procurement Practices

We recognize our contribution to the local economy, which is why 95% of our suppliers and raw materials are local. For sustainable tourism, we make environmentally friendly purchases that produce less energy, water and waste. In the light of these principles, our hotels competing in the national and international markets show the necessary determination, continuously develop and provide the resources to always be a leader.

Child Abuse and Harassment

We believe that everyone has a responsibility to protect children. We recognize that child welfare and the protection of children from all forms of harm are of utmost importance and that it is our fundamental duty to protect all children with whom we are concerned from physical and mental abuse.

In light of these principles, we are committed to national and international

Vision

We aim to be a global brand that keeps guest and employee satisfaction at the highest level and stands out with its service quality and reliability in the sector with the strength and knowledge we receive from our deep-rooted history. We work for sustainable tourism with the products we prefer and the approaches we exhibit.

Mission

Barut Hotels means adopting a service approach focused on guest satisfaction. Our group, which is the work of a visionary perspective, has been serving Turkish and World tourism in the light of the philosophy of “Happy employee - happy guest” since its establishment in 1971. With our stable, innovative, fair and reputable stance, we will continue to develop projects sensitive to the environment, people, art and nature, and we will continue to serve our country with our new investments.

We owe every breath we take to nature.

As Barut Hotels, we are aware of this and continue to raise the level of awareness. We are proud to be an important stakeholder in sustainable and environmentally friendly tourism. With We Care All, the environmental policy of Barut Hotels, we make new contributions to the understanding of sensitive hotel management every day.

Do We Care All?

We Care All is the environmental awareness project developed by Barut Hotels in 2019. Aiming to reduce the use of environmentally harmful substances as much as possible, our Group takes utmost care to use all natural resources more efficiently and carefully.

What does We Care activities cover?

It includes many approaches such as protection of stray animals, protection of endangered plant species, protection of the spawning areas of Caretta Carettas that lay eggs on hotel beaches, plastic-free, less use of printed documents in rooms, beach cleaning activities, cat houses, preparation of nature books, creation of mobile free zone areas in hotels, acceleration of technological and infrastructure works required to save energy, raising awareness of the staff about the environment, and ensuring the use of recyclable products as much as possible. The project continues to be developed.

We Care All

Grubumuzun 2.800 odası ve 6.500 yatak kapasitesine sahip 8 otelinde, Barut Hotels'in kusursuz hizmet kalitesini temsil eden 3.500 kişilik değerli bir ekip görev almaktadır. Sürdürülebilirlik ilkelerini benimseyerek, çevresel ve toplumsal etkilerimizi en aza indirmeye odaklanıyoruz. Bu çerçevede, Birleşmiş Milletler'in Sürdürülebilir Kalkınma Hedefleri'ne katkıda bulunmayı amaçlıyoruz. Tesislerimizde enerji verimliliği sağlamak, su tüketimini azaltmak ve atık yönetimini iyileştirmek gibi önlemler alıyoruz. Ayrıca, yerel topluluklarla iş birliği yaparak ekonomik fırsatlar yaratmaya ve sosyal refahı artırmaya özen gösteriyoruz. Çalışanlarımızın eğitimi ve bilinçlendirilmesiyle çevresel sorumluluğumuzu daha da pekiştiriyoruz. Tüm bu çabalarımızın sadece çevresel sürdürülebilirlikle sınırlı kalmayıp, aynı zamanda toplumsal kalkınmaya da katkı sağlayacağına inanıyoruz. Bu hedeflere tüm paydaşlarımızın katılımı ve destekleriyle ulaşabileceğimize eminiz.

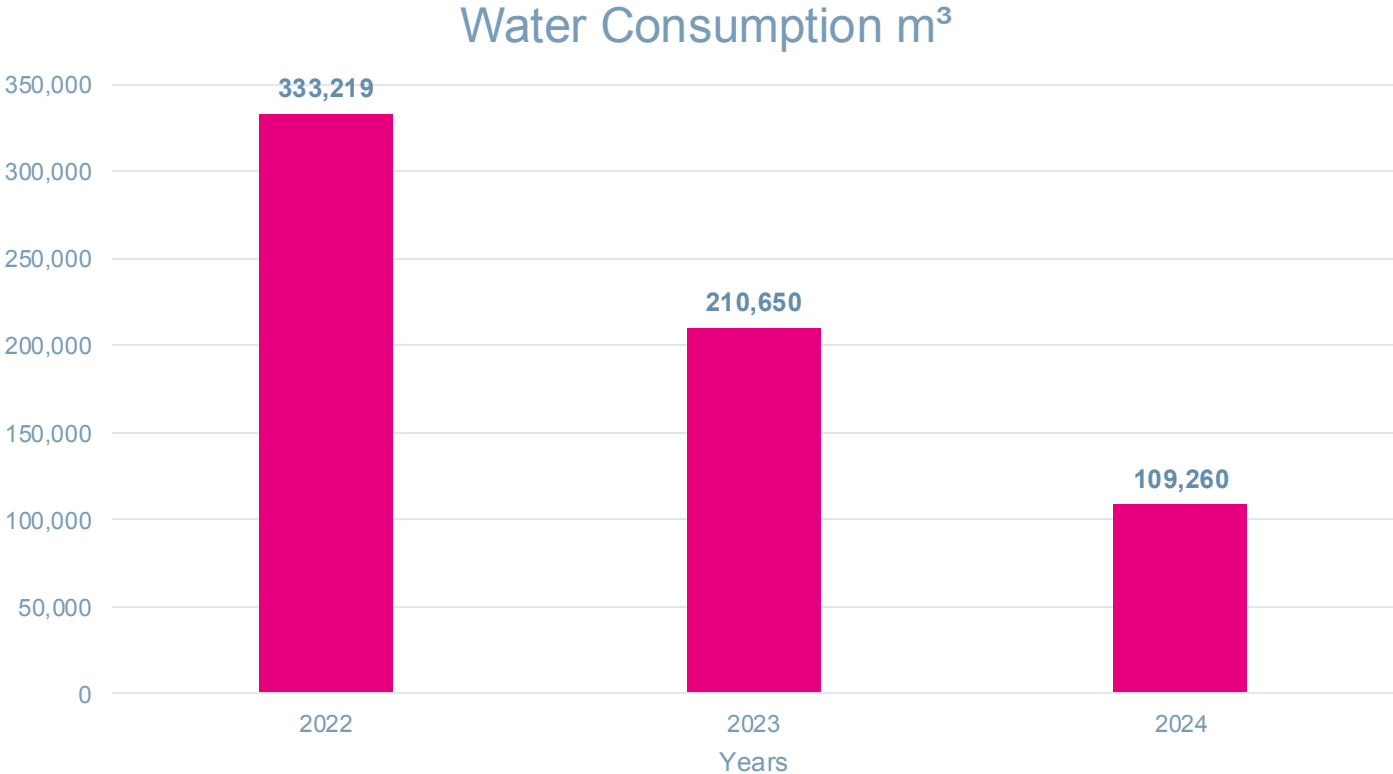

We Care All Nedir?

Barut Hotels 2019 yılında başlattığı çevre bilinci hareketini We Care adıyla hayata geçirmiştir. Pandemi döneminde ise değişen ve gelişen ihtiyaç ve beklentiler doğrultusunda 2021 yılında We Care All adını almıştır. Bu hareket, eğitimden çalışan haklarına, çevre etkinliklerinden kültürel mirası desteklemeye; atık azaltma, geri dönüşüm, tarımın desteklenmesi, yerel kaynaklardan satın alma, yenilenebilir enerji yatırımları, yerel istihdam ve sportif etkinliklere katılım gibi birçok alanda sürdürülebilir uygulamaları öne çıkarmaktadır.

Barut Hotels kurulduğu 1971 yılından bu yana doğa ve insan sevgisini koruma ve geliştirme misyonunu benimsemiştir. We Care All hareketiyle, gelecek nesillere karşı olan sorumluluklarını bugünden sürdürülebilir uygulamalarla yerine getirmeyi hedeflemektedir. Bu çerçevede, doğal kaynakların korunması, yerel ekonominin desteklenmesi ve toplulukların güçlendirilmesi amacıyla aktif bir rol oynamaktadır.

Barut Hotels, sürdürülebilirlik ilkelerini değerlerinin merkezine yerleştirerek hem çevresel hem de toplumsal etkilerini en aza indirme yolunda kararlı bir adım atmaktadır.

CERTIFICATES AND ENVIRONMENTAL AWARDS

In August 2021, we fulfilled all 182 criteria in the Travelife audit and renewed our certificate with zero non-conformity.

CERTIFICATES AND ENVIRONMENTAL AWARDS

As a result of the audit conducted on November 15-18 2021, ISO 14001:2015 Environmental Management System Certification was issued on behalf of our company.

CERTIFICATES AND ENVIRONMENTAL AWARDS

Based on our environmental activities in 2019-2020-2021-2022-2023, we received the “Best Environmental Education and Awareness Raising Activities Award” in the beach category under the Blue Flag Program.

CERTIFICATES AND ENVIRONMENTAL AWARDS

The Blue Flag is an international environmental award given to qualified beaches, marinas and yachts that meet the required standards. It is a symbol of a clean, well-maintained, well-equipped, safe and therefore civilized environment. For beaches, it represents clean sea water at the core and good environmental management with the necessary equipment, which attaches importance to environmental education and information.

FUTURE PROJECTS
